Unbeatable view in front of the lake

As we enter the house we see to our right the stairway and the elevator that leads us to the first floor. To our left we find a spacious bedroom en suite, with a gym with access to a terrace, and as we enter the property we see the large living room and the dining room overlooking the lake. On the ground floor we also find a large kitchen with island that accesses the gallery with a grill. From the kitchen we can access from one side the maid's quarters and laundry room, and from the other the covered garage for four cars.

On the first floor we find the main bedroom suite, with a great dressing room, large bathroom, Jacuzzi, sauna, shower stall, make-up area. The main bedroom has access to a terrace balcony with a Jacuzzi and an open view to the lake, three other bedroom suites, TV-room, office, music room and playroom, heated swimming pool, and counter-current swimming system.
